A Gift From Above

8 January 2020

WHO ARE WE?

A Gift From Above (NPO 209-770 | PBO 930 068 811) was founded by Dr Rina Muller. Dedicating this cause to her children, she made it her sole purpose to end the silence on all forms of abuse, specializing in physical and sexual abuse. With ending the silence, she ensures previously silenced victims' voices are heard, and helps raise awareness within the community on the warning signs and body language of victims.

Currently reaching various areas such as Melkbosstrand, Atlantis, Pella and Mamre, A.G.F.A aims to spread to all regions of South Africa. We want to equip families with the knowledge to empower one another, to uplift the community and showing one another's self-worth. More so, we want to spread love and kindness, and put a stop to bullying within our beloved South Africa, to ensure everyone knows that they are a gift from above.

WANT TO GET INVOLVED ?

We host annual outreaches within communities alongside Pink Ladies. We raise awareness on human trafficking and the dangers of gangsterism. We take a community at a glance and identify the big problems at hand, and educate the community to better the environment for themselves and future generations. Our one facilitator Joey has completed a home-caring course. This will be used to our advantage, providing additional help within our communities especially caring for the elderly – and encouraging youth to apply for these type of positions within their community, bringing a helping hand to those who so desperately need it.

In order for us to raise awareness on the above mentioned, as well as initiatives mentioned below, we reach out and ask for your help – our potential sponsor.

A little goes a long way, and your help would be the difference between a vision and reality.

We need your help (by means of sponsorship or monetary donation) with:

- Raising abuse awareness
- Anti-human trafficking campaigns
- Babysafe – preventing baby dumping
- Fun Kids
- Educational programs for homeless, pregnant women
- Props for our drama skits, performed annually at our outreaches
- Sound systems, electronics and equipment for our outreaches
- Laptops and printers for our research and private schools
- Assist our other facilitators to complete their Home Care courses
- To employ a full-time secretary to assist Dr Rina in scheduling appointments, coordinate events and administrate the office.

WHAT DO YOU GET ?

In return for being our generous sponsor or your generous donation, you will be featured on our logos, letterheads, social media, etc. We will also provide you with an S18 receipt for your tax purposes.
